

YOU CAN'T ESCAPE THE END,  
BUT YOU CAN CHANGE THE OUTCOME.

ARTIFICIAL LEGACY

# WHAT IS THE ARTIFICIAL LEGACY

## THE REGULAR HUMAN CYCLE

But the best definition for this is survival.

# THE HUMAN CYCLE WITH A. LEGACY

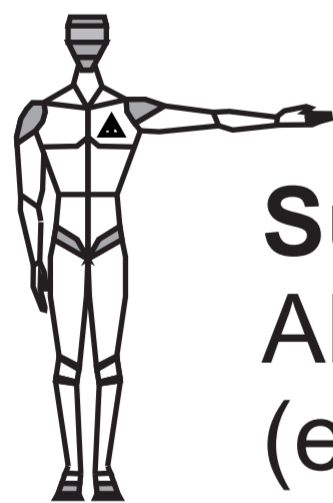

**Preparing for life**  
(LEARNING FROM ROBOTS)  
0...14 years

**Actions to get the full potential**  
Produce new knowledge  
Make artificial objects  
Improve world  
14...61 years

**Actions**  
61...

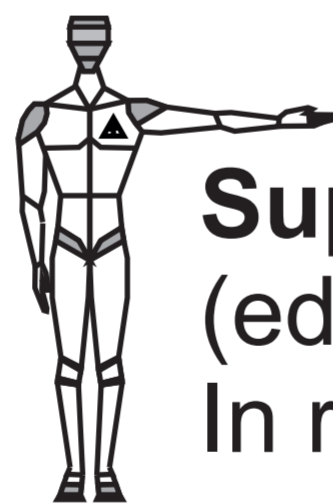

**Actions**  
(Your will)

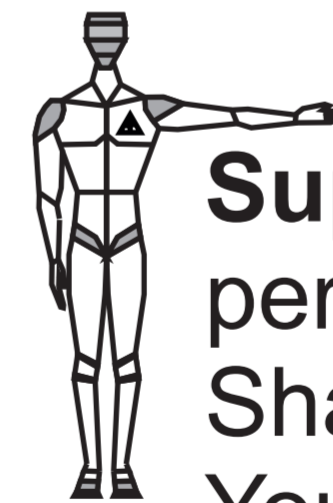

**Support** from free  
AL robots  
(education, care)

Previous  
Knowledge  
Access

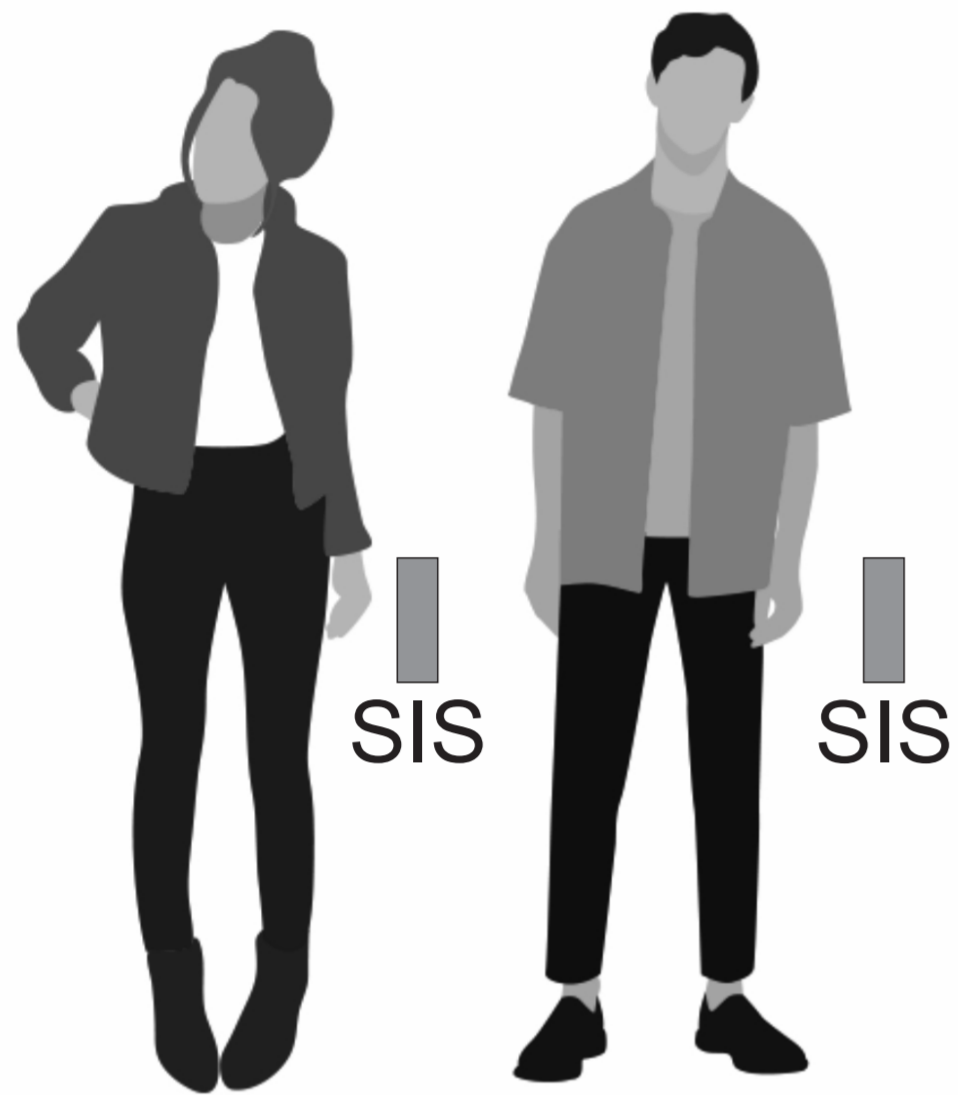

**Support** from your personal robot  
(education, care).  
In return you share  
your knowledge and results,  
that will be saved in AL base

**Support** from your  
personal robot (care).  
Sharing knowlegde.  
You can program  
robot to continue  
your vision in the future.

But the best definition for this is evolution.

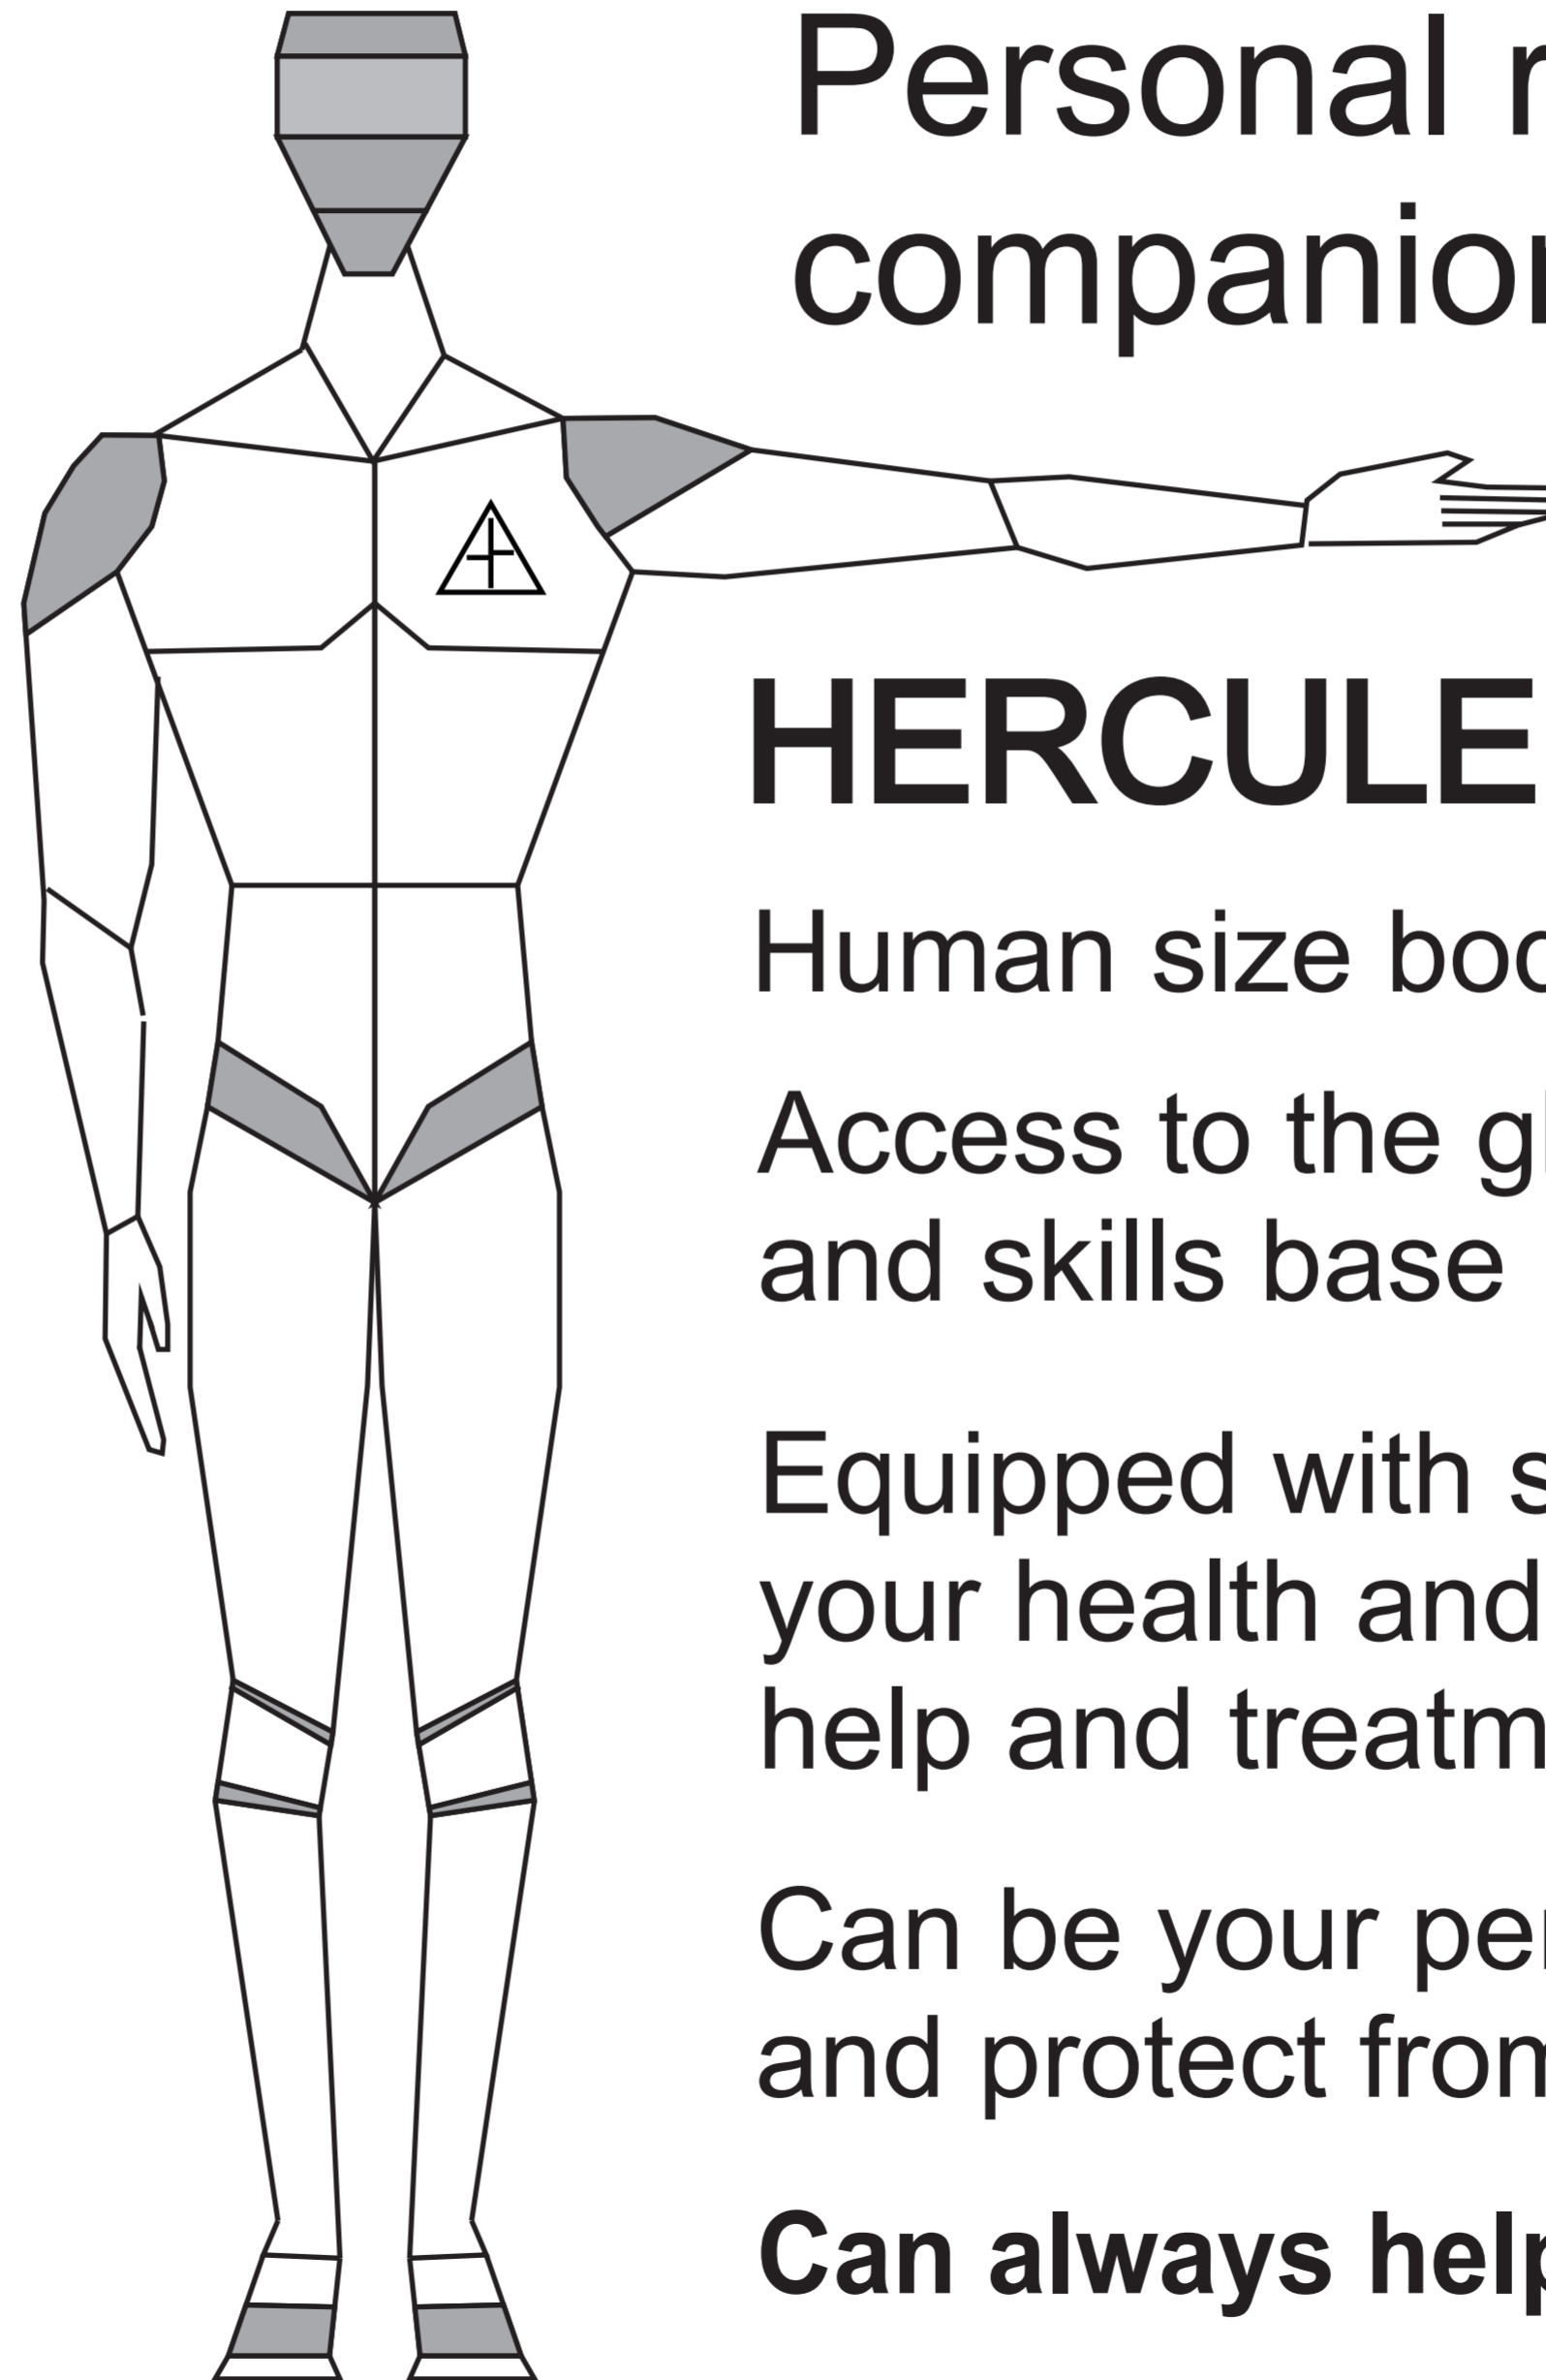

# HOW ARTIFICIAL LEGACY WORKS

1. You sign up for a AL program

2. You will get a personal robot and self improvement system, that will help you and share your knowledge.

3. You formulate your vision or actions that robot will do after you.

Personal robot companion

## HERCULES H-1

Human size body

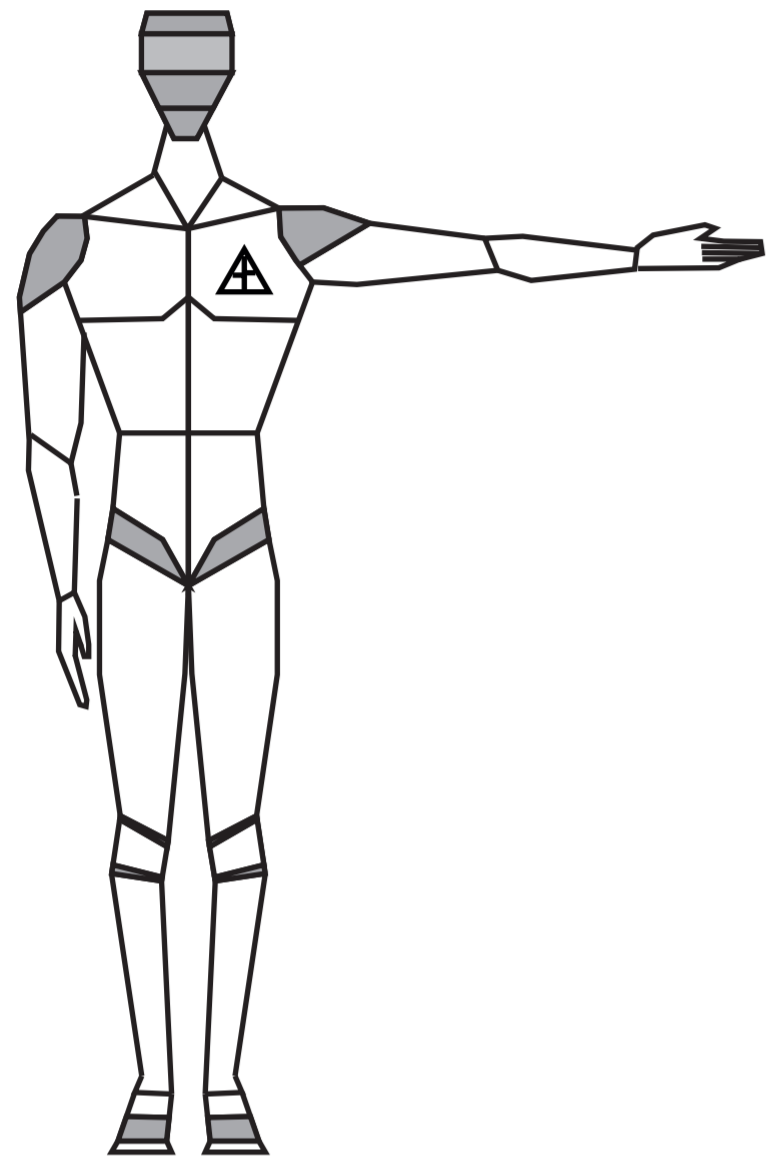

Access to the global knowledge and skills base
